Introduction

Welcome to Little Beans

We believe that each little bean should feel safe, secure and confident; developing strong roots from which to grow. We seek to provide a stimulating “Enabling” environment that is central to the children’s learning and development. This allows them to flourish, develop and reach their full potential as unique individuals as well as reaching their early learning goals.

The roots that are planted during these early years are vital in developing the skills they need to take with them throughout their lives.

We also focus on building secure, positive and strong relationships between children and their key person. This gives children the support and assurance they need to grow and shine in all areas of the Early Years Foundation Stage.

We pride ourselves on engaging with parents and families to create strong, positive partnerships - after all it is you who know your little beans best!

Our friendly and welcoming team will enthuse, engage and motivate your little beans.

If you would like to come and visit us then please give us a call. We would be happy to arrange a tour to show you the facilities we have available and to introduce you to our team.

We look forward to welcoming you to become a valuable part of Little Beans.

From all the team at Little Beans.

Meet the Team

Sebrina Drew – Director /area Manager

I lead a great team and strive to deliver energy and enthusiasm in all that we do at Little Beans. In my view, children should feel safe, secure and happy and be given all the support they need to fulfil their potential. This includes

providing children with a broad range of knowledge and skills; quality and consistency of care where staff are supported through ongoing training and development; building positive relationships and treating each child as a unique individual.”

Here at **Little Beans** we are using an online system called Tapestry to record and store all observations and assessments relating to your child. Tapestry is a safe and secure system and one that enables you as parents and carers to access your child's learning journey at any time. You can share it with your child, family and friends at home and also post any comments and photographs of your own, helping to create a fully holistic view of your child so we at **Little Beans** can maintain a high standard of parent partnership.

Safety and security

Staff use tablets to take the photographs for observations which are uploaded to Tapestry instantly. Each staff member has a secure login which is password protected. The tablets are kept in a secure cupboard at **Little Beans** and are never taken home by staff. Staff will be allocated time at work to update journals and plan for their key children's next steps.

If any member of staff suspects that their login details have been compromised in any way, they will inform the Manager, Lauren Hixson or follow the safeguarding contingency plan in her absence and new login details will be created. The Tapestry Learning Journey system is hosted on secure dedicated servers based in the UK. All data held on Tapestry account is owned by **Little Beans**; we are registered controllers of data with the Information Commissioner's Office and are bound by the Data Protection Act.

Parental Access

As parents you are able to log in to the Tapestry system but you will only be able to access your own child's Learning Journey. You may input new observations and photo's, and add comments to existing observations. However you will not have the necessary permission to edit existing content that has been inputted by your child's keyworkers. At the end of this letter is a permission form. We at **Little Beans** require you to sign a consent form giving **Little Beans** permission for your child's image to appear in other children's Learning Journeys. If you withhold this consent your child will only have written observations and no photos will be included in their own observations.

Parents/ Carers must not screen shot / copy any photos on Tapestry if they have other children in them. No photos or observations must go on to any social network site / website if it includes a child that is not yours. Any person seen to be not following the policy may lose their place at Little Beans as this is a security and safeguarding breach.

Parents without internet

If you do not have access to the internet, **Little Beans** will print all the information from Tapestry and collate it into a paper Learning Journey. This will be stored in **Little Beans** for you to view at all times and will be available to take home. Please inform the office if you require us to do this.

Bournemouth, Dorset and Poole
Agencies Working Together to support Children and Young People

Why is personal information held?

- All agencies who provide you with any kind of service have to keep personal information about you. This is so they can plan and give you the services you require.

What type of personal information is kept?

- It depends on the service you are getting. For example, health visitors keep information on how a child is developing, teachers on how a child is learning, and so on. The information is held confidentially either on computer or in a secure manual filing system.

Who is responsible for it?

- Making sure your personal information is kept securely and up-to-date is the responsibility of each agency providing the service to you. Information about you is protected by law and has to be treated carefully. We are making sure that everyone working with you is clear about what the rules are.

Consent to share

- Some information we have to pass on, with or without your consent. For example, if we have a big concern about you or if we think other people may be at risk of harm; if we learn about a serious crime being planned or having been committed and also if a court tells us we must do so. Usually though we would talk to you about this before sharing with another agency.
- Your information may also be shared with Government Departments where we are required to do so.

How to view your information

- You have the right to ask us if we hold personal information, what it is used for and to view the information we hold. You also have the right to know whether we disclose your personal information to other people and to ask us to correct anything that is wrong.

Do I have the right to see all my personal information?

- You have the right to see your personal information with some specific exceptions. For example, you will not be allowed to see personal information that contains details about someone else, even a member of your own family, until that person has given permission. There may be occasions when it would not be in your best interests to see it. If that is the case we will ensure that you are given a full explanation at the time so that you understand why this decision has been made.

Applying for access to your personal information

- You will need to ask the professional working with you. Usually you will have to fill in an "Access Request Form" or send a request in writing. We have to respond within 40 days of receiving your correctly completed application. Please note some agencies may ask for a small fee of £10.

Parent in partnership agreement

At Little Beans we know how important it is to have the best partnership possible between us and you as parents and families. This ensures that we can all work together for the best interests of your child, enabling them to feel confident and able to settle in to Little Beans as quickly as possible; ready to learn, develop and achieve!

We use the Early Years Foundation Stage to observe record and plan for your child and their next steps so they can reach their full potential and always feel challenged. You as families are the key as you know your children best so we would like to enter into an agreement to work in partnership together as follows:-

At Little Beans we agree to:-

- Fulfil our Legal Duty of Care to all the children entrusted into our care in its twofold purpose in relation to Safeguarding and Development. (see Policies and Procedures for more detail)
- Ensure that the transition period for your child to start is a smooth and positive experience. We will do a home visit if you wish to meet you and your family, to go through the prospectus together and answer any questions you may have. This also enables us to meet your child in their own environment to feel more safe and secure and build positive relationships.
- Find out as much information as possible about your child so they can settle quickly and confidently. The information we have will also be a starting point to commence the learning journals along with observations and recording to enable planning and next steps to be put in place.
- Allow settling in sessions - as many as needed depending on your individual child and until everyone is in agreement that they feel secure enough to be left.
- Maintain a daily register where everyone will be signed in and out. We will not allow anyone other than you or your authorised persons to collect your child. We will keep a contact register in case you are unavailable.
- Administer medicines as prescribed by the doctor (a medical form will need to be completed).
- Ensure that we will do our best to comfort and look after your child if they become ill throughout the day and we will inform you as soon as possible.
- Advise staff at Little Beans of any outbreaks of infections, diseases or cases of head lice.
- Inform you of any incidents or accidents that may have occurred at Little Beans and or affected your child during the day
- Hold regular parents' evenings to share information on your child and keep you update on your child's progress and development.
- Do regular questionnaires to gain constructive feedback and any suggestions to monitor and help improve the service we provide.

- Implement a policy of equal opportunities (enshrined in law). We help children to learn about other cultures and aim to develop their respect and tolerance for race and religion. We ensure that boys and girls are treated equally and given equal access to all activities and appropriate responsibilities. We keep a number of written policies at **Little Beans** including equal opportunities behaviour management and child records.
- Encourage your child to experiment with a variety of materials and be creative; doing so they may get messy even though we encourage them to wear aprons.
- Provide organised visits into the local area and we will always advise you in advance when these are planned.
- Always comply with staff ratio's set out in the statutory framework for the Early Years Foundation Stage.

Parents/carers agree to:
