## June 2020 Newsletter

Thank you for getting back to us so quickly and supporting us through this time. Your ongoing communication has been important to us. We have been working hard to keep up with the latest Government guidelines and feel that our stringent Covid-19 policy and procedure will enable us to reopen on 1<sup>st</sup> June stronger than ever! Please keep an eye on your emails, Tapestry and Facebook for further communication regarding nursery attendance. We hope to see all of you return to nursery as it is possible.

We would like to say a special thank you specifically to our Key Worker parents – we all appreciate all that you are doing to keep our country going and for keeping us safe.

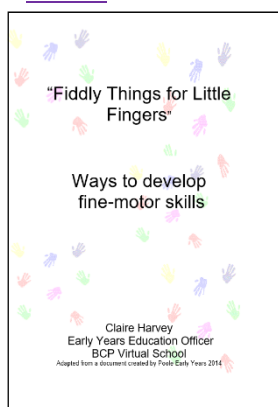

[This month the Little Beans that are still attending will be learning about...](#)

### **Our Theme – Space and Planets**

Your Little Beans will be learning about the solar system, the planets and all that is earth's neighbours! We will be singing space songs such as '5 little men in the flying saucer' and will have small world, mark making and many other space themed activities available for children to explore!

## School

We will be uploading school readiness information on Tapestry which includes activities which your children can do at home such as Fiddly Things for Little Fingers and we will continue to add new things we feel will help your children be ready for school that you can take part in at nursery or at home.

### Reminders and Updates

**Toys and water bottles** – Until the pandemic is over, we are asking that parents **do not** bring in toys or water bottles. The children will be given specific cups to drink from to help minimise any cross contamination. Children under the age of 2years, can still bring bottles or cups in if they cannot manage an open cup.

**Illness and self-isolation** - Please support us in minimising the spread of illness at Little Beans by keeping children off if they are poorly. Please can we remind parents and carers to follow current Government guidelines on self-isolating, testing and what you can do to protect yourself and others.

There is also other useful information that has been uploaded onto Tapestry – such as what parents should expect during the wider opening in June which can also be found on: <https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers>

**Car Park/Parking/Public Transport** - Please be aware that parking is for drop off and collection only. Please do not leave cars here whilst going on the school run. Please also park considerately within the marked bays. **YOU MUST NOT PARK ON THE PAVEMENT.** If someone has parked on the pavement, they will be politely asked to move their car before they are able to drop off/collect their children. Ensure when getting out of your cars and when waiting outside the nursery, that you are social distancing. May we also ask parents to not use public transport unless there is no other option.

More information about using public transport during the pandemic can be found on:

**Spare Clothing and Children's Belongings**– Please ensure you are bringing in spare clothes in a labelled bag such as a rucksack (not a plastic shopping bag). Please pass this to a member of the team when dropping your child at the entrance to the nursery. All spare clothing and belongings in the child's bag **must** be also be labelled.
