Introduction

Welcome to Little Beans

We believe that each little bean should feel safe, secure, and confident; developing strong roots from which to grow. We seek to provide a stimulating “Enabling” environment that is central to the children’s learning and development. This allows them to flourish, develop and reach their full potential as unique individuals as well as reaching their early learning goals.

The roots that are planted during these early years are vital in developing the skills they need to take with them throughout their lives.

We also focus on building secure, positive, and strong relationships between children and their key person. This gives children the support and assurance they need to grow and shine in all areas of the Early Years Foundation Stage.

We pride ourselves on engaging with parents and families to create strong, positive partnerships - after all it is you who know your little beans best!

Our friendly and welcoming team will enthuse, engage, and motivate your little beans.

If you would like to come and visit us, then please give us a call. We would be happy to arrange a tour to show you the facilities we have available and to introduce you to our team.

We look forward to welcoming you to become a valuable part of **Little Beans**.

From all the team at **Little Beans**!

Meet the Team

Sebrina - Director (Level 3 Early Years)

"I have over 9 years of experience in the childcare sector and have four children of my own. I lead a great team and strive to deliver energy and enthusiasm in all that we do at Little Beans. In my view, children should feel safe, secure, and happy and be given all the support they need to fulfil their potential. This includes providing children with a broad range of knowledge and skills; quality and consistency of care where staff are supported through ongoing training and development; building positive relationships and treating each child as a unique individual."

Tamsin - Director

"I have three bundles of energy at home and my youngest used to attend Little Beans. I bring the 'parent's perspective' to my role as co-owner. I am on hand to offer support and management to the team as well as to parents. I work in the background to ensure that we deliver a welcoming and stimulating environment for children where they enjoy learning and grow with confidence."

Emma - Manager (Level 5 Early Years Foundation Degree)

"I am the Manager of Little Beans Garland, I have over 10 years' experience working with children and families in a range of settings, from charities to academies and children centers. I have experience of being a SENCO and am the Designated Safeguarding Lead and hold a Level 5 Foundation degree in Early Years. I believe all children should have the same start in life and be able to flourish as individuals. At Little Beans we create an enabling environment with caring and skilled staff to ensure all children reach their full potential. My role as Manager is to ensure all children at Little Beans make progress through positive interactions and play based learning and activities, whilst ensuring all children are safe and building upon their personal, social and emotional development."

Lauren - Deputy Manager (Level 7 BA Early Years & QTS) **ON MAT LEAVE**

"I am the deputy manager of Little Beans. I am a qualified primary school teacher who has worked with children from the ages of 3 months - 11 years. I believe that all children should have the opportunity to access a variety of exciting & engaging activities to help enhance their learning experiences. I also believe that children learn best through play & that the adults are there to build upon the children's interests. My role is to support Emma with the day to day running of Little Beans & to help ensure that the children are making progress in all areas of learning in a vibrant & safe setting."

Amy - Deputy Manager & Preschool Room Leader (3 and 4's Room) (Level 6 Early Years - BA Degree in Early Childhood Studies)

"I am the deputy manager of Little Beans and my role is to support Emma in the day to day running of the nursery and to ensure all children are achieving the best possible outcomes. I have been working with children for several years in both school and nursery environments. My passion is to do everything I can to support children to learn and develop in the ways they are most comfortable and provide opportunities for them to do this within play. I have worked with babies through to children aged in their early teens and I am working towards my BA(Hons) in Early Childhood Education to enhance my knowledge. I pride myself in maintaining positive relationships with both children and parents and I am keen to get stuck in with messy play activities!"

Samuel - 2nd Deputy Manager (SENCO Level 3 Early Years)

"I have a passion for working with children, to share with them the joy that can be found in the world around us. I take pride in my high standard of work, encouraging and ensuring all children can grow and to give them a safe environment in which to do so. My experiences of working with children are diverse and vary greatly; from a one-to-one role, to working with larger groups of children with varying needs. Currently training on Senco. Level 3 safeguarding."

Sonya - Baby Room Leader (Level 3 Early Years)

"I have worked with children aged 0-5years for almost 13 years now, mostly in nurseries for long periods of time, but also abroad and including a little experience as an agency worker. I pride myself on fantastic relationships with parents to ensure the best care for their children, who are ultimately their whole world. I enjoy creating a fun, safe and caring environment for these little ones to grow and always like making memories with arts/craft activities, getting messy and singing/dancing. In my spare time I love living near the beach for walks and watching a lot of movies at the cinema."

Kerrie - 2 Year Old's Room Leader (Level 3 Early Years)

"I have always loved working with children and watching them develop. I come from a big family with lots of small children who I spend a lot of time with. I am creative, fun and a dependable person with experiences from the children's centres, nurseries, clubs, schools, and Au Pair in America Programme. I am a happy mother of a bilingual girl; an example of a family where a child grows happily and learns two languages (Polish and English) at the same time. Parent in partnership agreement

At **Little Beans** we know how important it is to have the best partnership possible between us and you as parents and families. This ensures that we can all work together for the best interests of your child, enabling them to feel confident and able to settle in too **Little Beans** as quickly as possible; ready to learn, develop and achieve!

We use the Early Years Foundation Stage to observe record and plan for your child and their next steps, so they can reach their full potential and always feel challenged. You as families are the key as you know your children best, so we would like to enter into an agreement to work in partnership together as follows:

At **Little Beans** we agree to: -

- Ensure that the transition period for your child to start is a smooth and positive experience. We will do a home visit if you wish to meet you and your family, to go through the prospectus together and answer any questions you may have. This also enables us to meet your child in their own environment to feel more safe and secure and build positive relationships.
- Find out as much information as possible about your child so they can settle quickly and confidently. The information we have will also be a starting point to commence the learning journals along with observations and recording to enable planning and next steps to be put in place.
- Allow settling in sessions - as many as needed depending on your individual child and until everyone agrees that they feel secure enough to be left.
- Maintain a daily register where everyone will be signed in and out. We will not allow anyone other than you or your authorised persons to collect your child. We will keep a contact register in case you are unavailable.
- Administer medicines as prescribed by the doctor (a medical form will need to be completed).
- Ensure that we will do our best to comfort and look after your child if they become ill throughout the day and we will inform you as soon as possible.

Dear Parents and carers,

Here at *Little Beans* we are using an online system called Tapestry to record and store all observations and assessments relating to your child. Tapestry is a safe and secure system and one that enables you as parents and carers to access your child's learning journey at any time. You can share it with your child, family and friends at home and also post any comments and photographs of your own, helping to create a fully holistic view of your child so we at *Little Beans* can maintain a high standard of parent partnership.

Safety and security

Staff use tablets to take the photographs for observations which are uploaded to Tapestry instantly. Each staff member has a secure login which is password protected. The tablets are kept in a secure cupboard at *Little Beans* and are never taken home by staff. Staff will be allocated time at work to update journals and plan for their key children's next steps.

If any member of staff suspects that their login details have been compromised in any way, they will inform the Manager, Emma Miller or follow the safeguarding contingency plan in her absence and new login details will be created. The Tapestry Learning Journey system is hosted on secure dedicated servers based in the UK. All data held on Tapestry account is owned by *Little Beans*; we are registered controllers of data with the Information Commissioner's Office and are bound by the Data Protection Act.

Parental Access

As parents you are able to log in to the Tapestry system, but you will only be able to access your own child's Learning Journey. You may input new observations and photos and add comments to existing observations. However, you will not have the necessary permission to edit existing content that has been inputted by your child's keyworkers. At the end of this letter is a permission form. We at *Little Beans* require you to sign a consent form giving *Little Beans* permission for your child's image to appear in other children's Learning Journeys.

No photos or observations must go on to any social network site / website if it includes a child that is not yours. Any person seen to be not following the policy may lose their place at Little Beans as this is a security and safeguarding breach of our policy.

Parents without internet

If you do not have access to the internet, *Little Beans* will print all the information from Tapestry and collate it into a paper Learning Journey. This will be stored in *Little Beans* for you to view at all times and will be available to take home. Please inform the office if you require us to do this.

Kind Regards,

Emma Miller

Manager

Why is personal information held?

- All agencies who provide you with any kind of service have to keep personal information about you. This is so they can plan and give you the services you require.

What type of personal information is kept?

- It depends on the service you are getting. For example, health visitors keep information on how a child is developing, teachers on how a child is learning, and so on. The information is held confidentially either on computer or in a secure manual filing system.

Who is responsible for it?

- Making sure your personal information is kept securely and up-to-date is the responsibility of each agency providing the service to you. Information about you is protected by law and has to be treated carefully. We are making sure that everyone working with you is clear about what the rules are.

Consent to share

- Some information we have to pass on, with or without your consent. For example, if we have a big concern about you or if we think other people may be at risk of harm; if we learn about a serious crime being planned or having been committed and also if a court tells us we must do so. Usually though we would talk to you about this before sharing with another agency.
- Your information may also be shared with Government Departments where we are required to do so.

How to view your information

- You have the right to ask us if we hold personal information, what it is used for and to view the information we hold. You also have the right to know whether we disclose your personal information to other people and to ask us to correct anything that is wrong.

Do I have the right to see all my personal information?

- You have the right to see your personal information with some specific exceptions. For example, you will not be allowed to see personal information that contains details about someone else, even a member of your own family, until that person has given permission. There may be occasions when it would not be in your best interests to see it. If that is the case we will ensure that you are given a full explanation at the time so that you understand why this decision has been made.

Applying for access to your personal information

- You will need to ask the professional working with you. Usually you will have to fill in an "Access Request Form" or send a request in writing. We have to respond within 40 days of receiving your correctly completed application. Please note some agencies may ask for a small fee of £10.
