Introduction

Welcome to Little Beans

We believe that each little bean should feel safe, secure, and confident; developing strong roots from which to grow. We seek to provide a stimulating “Enabling” environment that is central to the children’s learning and development. This allows them to flourish, develop and reach their full potential as unique individuals as well as reaching their early learning goals.

The roots that are planted during these early years are vital in developing the skills they need to take with them throughout their lives.

We also focus on building secure, positive, and strong relationships between children and their key person. This gives children the support and assurance they need to grow and shine in all areas of the Early Years Foundation Stage.

We pride ourselves on engaging with parents and families to create strong, positive partnerships - after all it is you who know your little beans best!

Our friendly and welcoming team will enthuse, engage, and motivate your little beans.

If you would like to come and visit us, then please give us a call. We would be happy to arrange a tour to show you the facilities we have available and to introduce you to our team.

We look forward to welcoming you to become a valuable part of **Little Beans**.

From all the team at **Little Beans!**

Meet the Team

Sebrina - Director (Level 3 Early Years)

*"I have many years of experience in the childcare sector and have five children of my own. I lead a great team and strive to deliver energy and enthusiasm in all that we do at **Little Beans**. In my view, children should feel safe, secure, and happy and be given all the support they need to fulfil their potential. This includes providing children with a broad range of knowledge and skills; quality and consistency of care where staff are supported through ongoing training and development; building positive relationships and treating each child as a unique individual."*

Tamsin - Director

*"I have three bundles of energy at home and my youngest used to attend **Little Beans**. I bring the 'parent's perspective' to my role as co-owner. I am on hand to offer support and management to the team as well as to parents. H&S: Temperature - Policy & Procedure

We at **Little Beans** ensure the safety and wellbeing of the children in our care is our utmost priority. We at Little Beans understand that children may fall ill within our care and have a system in place to ensure necessary action can be taken in these circumstances.

If a child has a temperature of 38C or more, then staff will take steps to reduce the child's temperature such as removing additional clothing e.g jumpers, cardigans, providing fluids to drink and staff will closely monitor the child. A child's parents/carers will be contacted to collect their child in these circumstances and staff will contact the parent/carer without delay.

Little Beans will gain permission from parents to use paracetamol suspension (Calpol 120mg/5ml) as per manufacturers instructions at their judgement to reduce high temperatures.

If a child sustains a temperature when they get home, they are unable to return to the setting for at least 24 hours from when the temperature subsided.

If a child's condition improves without the regular use of medication once home, and they have not sustained a temperature, then parents/carers are advised to contact Little Beans to discuss their child returning to the setting. These circumstances will be reviewed on a case-by-case basis and the decision falls with the nursery manager/nursery deputy.

Little Beans Medication Permission

I give permission for Little Beans to administer paracetamol suspension (120mg/5ml) to my child as per the manufacturer's instructions if my child's temperature reaches 38C or higher.

I understand that in these circumstances, **Little Beans** will contact me prior to administering the medication and that I will arrange collection for my child without delay.

I have read and understood the **Little Beans** temperature policy.

I have been provided with a copy of the manufacturer's instructions for the paracetamol suspension (120mg/5ml).

- This medicine contains 0.16mg benzyl alcohol in each 5ml which is equivalent to 0.03mg/ml. Benzyl alcohol may cause allergic reactions. Ask your doctor or pharmacist for advice if you are pregnant or breastfeeding, or if you have a liver or kidney disease. - If you are not sure of the cause of your child's illness or it is accompanied by a rash, breathing difficulties, diarrhoea or excessive tiredness or lethargy, speak to your doctor straight away. Do not give CALPOL® until you get medical advice.

- becoming unusually tired, unexpected bruising or bleeding and getting more infections (such as colds) than usual. These are very rare effects in people taking paracetamol.
- very rare cases of serious skin reactions have been reported. Symptoms may include: skin reddening, blisters, rash. If skin reactions occur or existing skin symptoms worsen, stop use and seek medical help right away.

If your child shows any of these signs, **stop giving paracetamol and talk to your doctor right away.**

Long term use: People who use medicines containing paracetamol every day for a long time (several months or more) could get certain side-effects, including liver and kidney damage. People taking paracetamol in the usual way for shorter periods have not had these problems, but liver function tests may be affected.

If you notice any side-effects not included in this leaflet please tell your doctor or pharmacist.

Reporting of side-effects: If you get any side-effects, talk to your doctor, pharmacist or nurse. This includes any possible side-effects not listed in this leaflet. You can also report side-effects directly via the Yellow Card Scheme at: [http:// www.mhra.gov.uk/yellowcard](http://www.mhra.gov.uk/yellowcard) or search for MHRA Yellow Card in the Google Play or Apple App Store

By reporting side-effects you can help provide more information on the safety of this medicine.

Keep this medicine out of the sight and reach of children. Do not store above 25°C. Keep bottle in the outer carton. Do not use after the end of the month shown as an expiry date on the packaging. Parent in partnership agreement

At **Little Beans** we know how important it is to have the best partnership possible between us and you as parents and families. This ensures that we can all work together for the best interests of your child, enabling them to feel confident and able to settle in too **Little Beans** as quickly as possible; ready to learn, develop and achieve!

We use the Early Years Foundation Stage to observe record and plan for your child and their next steps, so they can reach their full potential and always feel challenged. You as families are the key as you know your children best, so we would like to enter into an agreement to work in partnership together as follows: -

At **Little Beans** we agree to: -

- Ensure that the transition period for your child to start is a smooth and positive experience. We will do a home visit if you wish to meet you and your family, to go through the prospectus together and answer any questions you may have. This also enables us to meet your child in their own environment to feel more safe and secure and build positive relationships.
- Find out as much information as possible about your child so they can settle quickly and confidently. The information we have will also be a starting point to commence the learning journals along with observations and recording to enable planning and next steps to be put in place.
- Allow settling in sessions - as many as needed depending on your individual child and until everyone agrees that they feel secure enough to be left.
- Maintain a daily register where everyone will be signed in and out. We will not allow anyone other than you or your authorised persons to collect your child. We will keep a contact register in case you are unavailable.
- Administer medicines as prescribed by the doctor (a medical form will need to be completed).
- Ensure that we will do our best to comfort and look after your child if they become ill throughout the day and we will inform you as soon as possible.
- Advise staff at **Little Beans** of any outbreaks of infections, diseases, or cases of head lice.
- Inform you of any incidents or accidents that may have occurred at **Little Beans** and or affected your child during the day.
- Hold regular parent's evenings to share information on your child and keep you update on your child's progress and development.
- Do regular questionnaires to gain constructive feedback and any suggestions to monitor and help improve the service we provide.
- Implement a policy of equal opportunities (enshrined in law). We help children to learn about other cultures and aim to develop their respect and tolerance for race and religion. We ensure that boys and girls are treated equally and given equal access to all activities and appropriate responsibilities. We keep a number of written policies at **Little Beans** including equal opportunities behaviour management and child records.
- Encourage your child to experiment with a variety of materials and be creative; doing so they may get messy even though we encourage them to wear aprons.
- Provide organised visits into the local area and we will always advise you in advance when these are planned.

- Always comply with staff ratio's set out in the statutory framework for the Early Years Foundation Stage.

Parents/carers agree to:

- Choose whether you would like a home visit.
- Attend **Little Beans** with your child during the settling in time until your child is ready, confident, and happy to be left.
- Inform us of any absences.
- Inform us if you cannot collect your child and who will.
- Share your child's interest by talking with them and to their key person about what they have been doing.
- Give us the names and telephones numbers of people we can contact in case of sickness or emergency and inform us of any changes.
- Keep a sick child at home and collect one if they become ill whilst at the setting as soon as possible.
- Inform us if your child has contracted an infectious disease or has/had head lice.
- Inform us of any significant changes which may affect your child's behaviour.
- Inform and tell us about your own observations and provide comments which can be added to your child's records.
- Accept and adhere to the policy of equal opportunities within **Little Beans**.
- Read and familiarise yourselves with the policies and procedures at **Little Beans** and inform staff if you do not understand anything in the content.
- Provide sensible and appropriate clothing.
- Give consent to visits into the local area for your child's development and enjoyment.
- Attend parent's evenings to discuss and share your child's development.
- Pay fees promptly.
- Unfortunately, staff members cannot accept parents and carers on Facebook, even after staff leave employment with **Little Bean**

Dear Parents and carers,

Here at **Little Beans** we are using an online system called Tapestry to record and store all observations and assessments relating to your child. Tapestry is a safe and secure system and one that enables you as parents and carers to access your child's learning journey at any time. You can share it with your child, family and friends at home and also post any comments and photographs of your own, helping to create a fully holistic view of your child so we at **Little Beans** can maintain a high standard of parent partnership.

Safety and security

Staff use tablets to take the photographs for observations which are uploaded to Tapestry instantly. Each staff member has a secure login which is password protected. The tablets are kept in a secure cupboard at **Little Beans** and are never taken home by staff. Staff will be allocated time at work to update journals and plan for their key children's next steps.

If any member of staff suspects that their login details have been compromised in any way, they will inform the Manager, Emma Miller or follow the safeguarding contingency plan in her absence and new login details will be created. The Tapestry Learning Journey system is hosted on secure dedicated servers based in the UK. All data held on Tapestry account is owned by **Little Beans**; we are registered controllers of data with the Information Commissioner's Office and are bound by the Data Protection Act.

Parental Access

As parents you are able to log in to the Tapestry system, but you will only be able to access your own child's Learning Journey. You may input new observations and photos and add comments to existing observations. However, you will not have the necessary permission to edit existing content that has been inputted by your child's keyworkers. At the end of this letter is a permission form. We at **Little Beans** require you to sign a consent form giving **Little Beans** permission for your child's image to appear in other children's Learning Journeys.

No photos or observations must go on to any social network site / website if it includes a child that is not yours. Any person seen to be not following the policy may lose their place at Little Beans as this is a security and safeguarding breach of our policy.

Parents without internet

If you do not have access to the internet, **Little Beans** will print all the information from Tapestry and collate it into a paper Learning Journey. This will be stored in **Little Beans** for you to view at all times and will be available to take home. Please inform the office if you require us to do this.
