12 February 2026

Dear Little Beans Garland Families,

### **April 2026 Fee Review and Adjustments**

We want to express our sincere gratitude for your continued support and for the wonderful community we have built together at Little Beans.

We love watching your little ones grow and develop, and we are always striving to enhance their experience with us. Alongside providing high-quality care, we continually invest in our setting to ensure a rich and stimulating environment. This includes through staff training and professional development; new and engaging resources; a diverse range of daily activities, including creative arts and crafts, classes, and other fun learning experiences. We carefully consider each child's interests, next steps, and cultural development, aiming to provide a varied and dynamic environment where every day is both enjoyable and enriching.

We understand that any increase in fees may be a concern. We want to reassure you that we have made every effort to keep this increase to a minimum. Our aim has been to balance the rising costs of running the setting with our commitment to providing high-quality care, ensuring that the adjustment is fair while allowing us to continue offering the enriching and engaging environment your little ones enjoy each day.

Please find attached our new fee schedule, which will take effect from **April 2026**. If you have any questions or concerns about these changes, please do not hesitate to contact us.

Thank you again for your support.

Kind regards

**The Little Beans Garland Team**
